

GOSDEN HOUSE SCHOOL PUPIL PREMIUM 2019 INFORMATION

How does our School use its Pupil Premium?

For the year 2018-2019, Gosden House allocation is £36,245 for Pupil Premium.

Gosden House believe that children learn best when they are happy and feel confident. The School has a long history of pastoral care and believe that working with the family enables pupils to achieve at their full potential. We also understand that some pupils may benefit from having extra time to communicate about their experiences and work better when they are feeling emotionally stronger. We have identified six inputs this year.

Input 1: The Home School Link Social Worker

- To improve attendance at school
- To provide advice and support to parents
- To provide individual support to ensure full access to the curriculum
- To provide knowledge and understanding to professionals working with the child
- Resilience workshops to support transitions.

Input 2: Nurture Development – Emotional Literacy Support Assistant

- Individual/group nurture sessions.
- Breakfast Club

Input 3: Enrichment Club – Just So Singers (Secondary Enrichment Club and Primary Singing)

- This is part of the nurture provision for KS3 and KS4 pupils.
- They make choices about the range of activities they are going to do.
- Improves communication within the peer group, developing understanding and friendships.
- To develop music skills
- To develop team skills
- To develop confidence
- To provide a focus for the school and a sense of community
- To widen leisure opportunities
- To support mental health and wellbeing.

Input 4: Horse-riding

- To develop confidence in physical skills and emotional resilience
- To widen leisure opportunities
- Opportunities to develop into leadership/apprenticeships in Animal Care.

Input 5: Ukulele

- To broaden cultural experience and develop social skills (SMSC)
- To develop confidence in music skills
- To support mental health and wellbeing.

Input 6: Band

- To develop contemporary music skills and knowledge
- To develop team skills
- To widen leisure opportunities

Pupil Provision – Pupil Access

All pupils have access to a core provision (Band1). Pupils requiring more resources may access provision under Band 2 or Band 3. This is mainly funded and tracked by the Local Authority. There may be some pupils who come under Band2/3 who are partly funded through Pupil Premium.

All Pupil Premium pupils will be tracked in relation to the provision they are receiving and whether the child is achieving below, at or above expected progress. This is reported to Governors and parents and can be found on the mid-term data report and End of Year Report.
