As we look forward to our Easter break with one week to go, perhaps a time to re charge and enjoy with our families.

It's lovely to see the sun peeping out to say Hello.

We hope the Easter bunny pays a visit to you all.

What's coming up next?

We're holding a virtual balloon race over the Easter Break and we'd love for you to get involved! "What is a virtual balloon race?" I hear you ask. Well, essentially its an opportunity for you, your family and friends to get creative and competitive. For only £3 you can personalise your own online hot air balloon, give it a name, and pitch it against other balloons in our Gosden House Virtual Balloon Race. You'll be able to see the balloons 'in flight' as the race happens and experience nail biting moments as the leaderboard changes.

Make sure you purchase your balloon before the 1st April to be in with a chance of winning.

We have some great prizes on offer for the top 3 balloons, as well as for the last place contender:

Water Bottles H2O

The children have been busy designing their very own pictures for a water bottle fundraising project. Their pictures were sent off to the printing company who will put the design on their very own water bottle.

Personalised water bottles are the perfect way to keep hydrated when out and about. The water bottles are made from Aluminium with a white outside (for over printing) and a shiny reflective inside. They hold 500ml of fluid, come with a choice of two different caps and inside their own cardboard presentation box.

Watch out for your order form with your pin number on you can place your order by visiting www.sforder.co.uk and view your child's design and purchase a water bottle for £8.50 each.

Online orders will close on the 18th April, water bottles will be sent home during the first week of May.
