

October 2024

Dear Gosden Parents and Carers

Over the course of Year 7, Year 9 and Year 11, we will be completing the Future Skills Questionnaire.

The Future Skills Questionnaire (FSQ) is a set of questions that have been designed for young people in schools and colleges to help them think about their skills, strengths and what they might like to do in the future.

FSQ is a new feature of our school's careers programme. We will be able to look at learner responses to help evaluate our careers provision, plan future careers activities and also identify learners who may need additional support. The questionnaire takes approximately 15 minutes to complete, there are up to three sections of the questionnaire that cover the following areas:

- Careers knowledge and skills
- Essential skills for life and work
- Career Planning

Completing the FSQ should be an engaging activity for all our learners that will encourage them to think about their future choices and next steps after school or college.

The Future Skills Questionnaire is completed online, through a digital product called Compass+.

All learner data is processed in compliance with General Data Protection Regulation (GDPR).

If you would like more information or would like to support our careers programme please email Sandra on s.tidbury@gosden-house.surrey.sch.uk or ring us on 01483 892008
